My Modified Game

Think about the modified game you played. Use that experience to answer the following questions:

What game did you play?

It was a modified version of ...

How was it made more inclusive?

How did you feel during the game

How did you feel after the game?

(U2L5-6R1) Worksheet: Game Changer

Can you list the modifications made to the game e.g.

How was the size of playing area different to the original?

Did the number of players change?

What equipment was used, and was it different to the original?

How were the rules modified?
