

(U7L4-6R5) Games For All - Extension Activity

Creating

Imagine you have been asked to design a new event for the next Youth Paralympic Games.

Use the checklist in Worksheet 10A - Modified Games - or the TREE model activity card to assist you designing your game.

Make sure you include:

- A name for your event
- The modifications needed
- Rules
- Equipment required
- Venue

Present your event on an activity card or poster, so that others may read it and understand how to play. Use diagrams and bullet points to make it simple to read.
